

In January of 2016, the Minnesota Twins, in partnership with Twins legend Rod Carew and his wife Rhonda, announced the creation of a year-long campaign to raise funds for the American Heart Association, as well as raise awareness cardiovascular disease. The Heart of 29 campaign honors the Carews' wish to assist the American Heart Association following the Baseball Hall of Famer's recent, major heart attack and subsequent surgery. Carew had an LVAD, or left ventricular assist device, implanted during the surgery, and awaiting the possible need for a heart transplant.

The campaign kicked off at TwinsFest at Target Field and will raise funds for the American Heart Association in a number of ways. Most specifically, Twins fans will be encouraged to join or pledge Rod's Team at the 2016 Twin Cities Heart Walk. The Minnesota Twins will match all pledges to Rod's Team up to a total of \$10,000. The Twin Cities Heart Walk will take place on May 14th at Target Field and is the largest fundraiser for the American Heart Association.

The American Heart Association raises awareness through National Wear Red Day and "red outs" throughout the year. In conjunction with the Twins players wearing red jerseys on Fridays at home in 2016, the Twins will offer a special Carew's Corner ticket package on Fridays in April and May. Fans can purchase a lower level Field Box ticket, and receive a special Heart of 29, Rod Carew, red Twins jersey. A portion of each ticket sold will benefit the American Heart Association.

More than 800,000 people in the U.S., that's one in three, die from cardiovascular diseases including heart disease and stroke. An estimated 85.6 million people in the U.S. are living with cardiovascular diseases. Nearly 80 percent of cardiovascular disease may be

prevented through every day healthy living steps, including physical activity, good nutrition, not smoking, maintaining healthy weight, and controlling blood pressure, cholesterol and blood glucose levels.

For more information about joining or pledging the Twins Cities Heart Walk, Carew's Corner, and information about heart health, visit www.twinsbaseball.com/heartof29.

DAVE ST. PETER

PRESIDENT

Dave St. Peter was named the fourth president in Minnesota Twins history on November 26, 2002. He oversees the team's day-to-day operations, strategic planning and interaction with Major League Baseball.

St. Peter played a central role in the approval, design, construction and opening of Target Field, which was named 2011 Sports Facility of the Year by the Sports Business Journal/Sports Business Daily. He also recently led the Twins effort to secure and host the 2014 Major League Baseball All-Star Game; expansion of the CenturyLink Sports Complex in Fort Myers, FL – named Ballpark Digest's 2015 Major Ballpark Renovation of the Year; as well as the team's partnership with Hennepin County on the design and programming

of Minnesota's newest intermodal transit hub - Target Field Station.

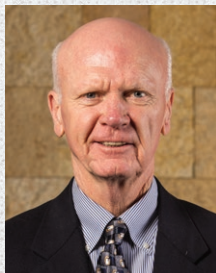

At age 49, St. Peter begins his 27th year with the Twins. He joined the organization as an intern in 1990 and over his first decade with the franchise held a variety of positions including Pro Shop Manager, Communications Manager, Vice President of Corporate Communications and Senior Vice President of Business Affairs. As the club president, the Twins established a new single season franchise attendance record in 2010 by attracting more than 3.2 million fans to Target Field while the team was recognized by ESPN as having the best stadium experience in all of professional sports. St. Peter's leadership has been integral in the team's growing corporate partnership base; development of the "Magic Moments" customer service initiative; the "Go Twins, Go Green" environmental stewardship platform; expansion of the Treasure Island Baseball Network; aggressive community outreach; and enhanced alumni involvement -- including creation of the Twins Hall of Fame.

St. Peter has been part of a leadership team helping the franchise win six American League Central Division championships (2002-04, 06 and 09-10). During St. Peter's leadership tenure, the Twins have twice been named "Organization of the Year" by Baseball America (2002 and 04). In 2006, the entire Twins organization was recognized as the Minneapolis Star Tribune's "Sports Person of the Year." The franchise received the Atlanta Sports Council's Horizon Award (2002) as the Professional Sports Organization of the Year while the Twins Community Fund was a 2000 recipient of the Greater Minneapolis Chamber of Commerce's Quality of Life Award and a 2006 recipient of a Project Evergreen Award. The State of Minnesota named the Twins organization a Yellow Ribbon Company in 2014. Five of the past six years (2010, 2012-2015) the Twins have been honored by the Star Tribune as one of the "Top 100" workplaces in Minnesota. In 2011, the Twins were the recipient of the Minneapolis Park and Recreation Board's "Living the Dream" Award. St. Peter has also been named to the Street and Smith's Sports Business Journal and Minneapolis-St. Paul Business Journal's "Forty under 40" lists.

In the community, St. Peter currently serves on the boards of the Minnesota Twins Community Fund, Ronald McDonald House Charities of the Upper Midwest, the YMCA of the Twin Cities, the Minnesota Chapter of Positive Coaching Alliance and 2020 Partners.

St. Peter was born in Bismarck, North Dakota, and graduated from the University of North Dakota in 1989. Dave, son Jack and twin sons Eric and Ben make their home in Chanhassen, MN.

TERRY RYAN

EXECUTIVE VICE PRESIDENT, GENERAL MANAGER

Terry Ryan was named Executive Vice President/General Manager on November 7, 2011, after spending the previous four seasons as a Special Assistant to General Manager Bill Smith (2008-11). He was originally named as the fourth General Manager in Minnesota Twins history on September 13, 1994, holding that position until stepping down following the 2007 season. Ryan is responsible for the team the Twins put on the field and oversees the coaching staff and entire baseball department, including team travel and baseball communications.

Ryan began his professional career with the Twins in 1972 after being drafted in the 35th round out of Parker High School in Janesville, WI. He pitched in the Twins minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an

arm injury cut his career short. In 1975, he enrolled at the University of Wisconsin-Madison and graduated with a degree in Physical Education in 1979.

Ryan returned to baseball in 1980 as Midwest Scouting Supervisor for the New York Mets, a position he held for six years before being named Scouting Director for the Twins in January 1986. He was recognized by Topps in 1998 with the Advancement Through the Game Award. Prior to his first tenure as General Manager, Ryan served as the Vice President of Player Personnel, a position he assumed at the end of the 1991 season. In that role, Ryan was responsible for scouting and evaluating all talent at the major league level and assisting in personnel decisions. Ryan was also responsible for signing all major league players with less than three years of major league service.

In addition to his duties with the Twins, Ryan was appointed to the Commissioner's Special Committee for On-Field Matters in December of 2009, as well as being a member of the Major League Baseball Playing Rules Committee since 2005. He has also served on the Arizona Fall League (AFL) Steering Committee since 2005, a position he also held in 1997-98. In 2009, Ryan was the recipient of the AFL's Roland Hemond Award, which is presented annually to a baseball executive in recognition of at least 15 years of outstanding service to the AFL and professional baseball in a key leadership capacity. In 2013, he was awarded the George Genovese Lifetime Achievement Award in Scouting from the Professional Baseball Scouts Foundation, as well as the Roland Hemond Award, voted upon by SABR, recognizing a baseball executive that demonstrates a lifetime commitment to professional baseball scouts and scouting, and player development history. In 2014, he was inducted into the Minnesota State High School Baseball Coaches Association Hall of Fame.

Through the efforts of Ryan and his staff, the Twins have won the American League Central Division title in four of his last 10 years as the general manager (2002-04 and 06). He has twice been named Sporting News Executive of the Year (2002 and 06), and was also named *Baseball America's* Major League Executive of the Year in 2004. The Negro Leagues Baseball Museum honored Ryan with the Andrew "Rube" Foster Legacy Award as American League Executive of the Year in 2004, and again in 2006. In 2002, the Twins were named Organization of the Year by *Baseball America* (also in 2004), USA Today and Sportsticker.

Terry and his wife, Karilyn, have two children, Tim (daughter-in-law Tara and grandson Rory) and Kathleen, and reside in Eagan, MN.

The determination of earned-runs is as follows:

An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims in Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and the Commissioner, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. The winner of the national Roberto Clemente Award is announced during a pre-game ceremony at the World Series. Past winners include Jamie Moyer, Jim Thome, Rod Carew (Twins - 1977), Dave Winfield (Twins - 1994), Kirby Puckett (Twins - 1996), Curt Schilling, Al Leiter, Tony Gwynn, Willie Mays, Ozzie Smith, Derek Jeter, Albert Pujols, John Smoltz, and Cal Ripken, Jr.

The 2015 Minnesota Twins Roberto Clemente Award nominee was Torii Hunter. Last season's winner was Pittsburgh's Andrew McCutchen.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

- (1) He is the finishing pitcher in a game won by his club; and
- (2) He is not the winning pitcher; and
- (3) He qualifies under one of the following conditions:
 - (a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or
 - (b) He enters the game with the potential tying run either on base, at bat or on deck; or
 - (c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a "blown save" when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

...that on September 22, 1968 vs. Oakland at Metropolitan Stadium, Cesar Tovar became the second major leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, shortstop, third base, left field, center field and right field for an inning apiece.

DID YOU *Know?*

...the longest home run ever hit by a Twin was estimated at 520 feet. Harmon Killebrew crushed the three-run blast off California righty Lew Burdette, which landed in the sixth row of the upper deck at Metropolitan Stadium on June 3, 1967. The ball cracked the seat, and was later painted orange to commemorate the event. The seat is now located in the Mall of America — the former site of “Met” Stadium — bolted to a wall in the amusement park, marking the height and position where the ball would have landed in the upper deck.

DID YOU Know?

...that the Twins best homestand ever took place during the 1991 season. The team went 10-0 from June 3-13 against Baltimore (3-0), Cleveland (4-0) and New York (3-0). The franchise's best road trip resulted in 7 wins in 8 tries, accomplished twice. The first was a New York, Milwaukee and Boston trip, April 28 to May 7, 1972 and the second coming 30 years later on a Cleveland, Detroit and Chicago trip from July 17-July 24, 2002. The Twins have had two trips over the years on which they've won 10 games, however.

They were 10-7 between July 23 and August 8, 1963 and 10-6 from August 14-27, 1967.

The history of the Minnesota Twins franchise dates back to the year 1901 when, as the Washington Senators, they were born as one of the eight original franchises in the American League. For sixty years, the Senators played baseball in our nation's capital, winning one World Championship and three American League pennants, while adding Hall of Fame players like Walter Johnson, Sam Rice and Goose Goslin to the rich history of America's game.

In 1961, owner Calvin Griffith moved the Senators from Washington, DC to Minnesota where a new chapter has been written, one more impressive than the first. In the 55 years

since, the Minnesota Twins have won two World Championships, three American League pennants and made 11 playoff appearances. It is here that players like Killebrew, Kaat, Carew, Blyleven, Hrbek, Puckett and Mauer have been able to weave their own names into history, not only for the franchise, but for the game.

The records and All-Time Top Ten Lists below recognize this history by including the statistics of the Washington Senators of 1901-60, as their history is our history, and any franchise history without them would be incomplete.

DO YOU Know?

...that in 1976, Twins pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances. He became the second player in major league history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodger's Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories tied the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in major league history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

2015 MINOR LEAGUE RECAP

ROCHESTER (77-67, Triple-A, International League)

— The Red Wings finished second in the International League North Division with a record of 77-67. Rochester's offense was one of the league's best, as they finished second in team batting average (.262), and third in hits (1,263) and runs scored (311). Infielder James Beresford's .307 average on the season was the second best in the International League, as were his 153 hits. He received both Mid- and Postseason All-Star honors. On the mound, the Red Wings possessed several of the organization's best arms, including Twins minor league Pitcher of the Year Jose Berrios. After starring in the 2015 MLB Futures Game in Cincinnati, he was promoted to Triple-A in July, and went 6-2 with a 2.85 ERA in 12 starts for Rochester. Numerous Red Wings pitchers made their way to the International leaderboards, including Pat Dean and Taylor Rogers, who were the top two in the league for innings pitched. Michael Bowden's 2.58 ERA over 32 appearances (17 starts) was also the second best in league.

DOMINICAN REPUBLIC BASEBALL ACADEMY

The Twins development program in the Dominican Republic will begin its second season of operations at the Las Americas Complex in Boca Chica, DR in 2016. This complex serves as the Twins interim facility while their new joint academy with the Philadelphia Phillies is built. The Las Americas facility has the capacity to house two teams and the Twins share the complex with the Los Angeles Dodgers, who are renovating their existing Camp Las Palmas facility.

The club provides housing and meals for amateur players working out in the Academy program, as well as for its professional players on the Dominican Summer League team. A lower level of the two-story building includes a locker room, weight training room, office and meeting space, laundry, kitchen, a large dining room, recreation room and a dedicated classroom. The second floor features a large dormitory which can accommodate up to 56 players and two staff bedrooms. Programs are provided year-round to teach English and cultural development to all signed players.

Boca Chica is located 30 minutes east of downtown Santo Domingo and the Twins complex is just 15 minutes from the international airport.

The playing facilities include two full-sized playing fields, two covered batting tunnels and a six-mound training area for pitchers. The Twins Dominican facility is in full operation from February through early December.

2015 TWINS MINOR LEAGUE PLAYER AND PITCHER OF THE YEAR

MAX KEPLER AND JOSE BERRIOS

Outfielder/first baseman Max Kepler was named the 2015 Sherry Robertson Award winner as the Twins Minor League Player of the Year and right-handed pitcher Jose Berrios was named the 2015 Jim Rantz Award winner as the Twins Minor League Pitcher of the Year.

Kepler spent a majority of the season with Double-A Chattanooga, hitting .322 (131-for-407) with 32 doubles, 13 triples, nine home runs, 71 RBI and 76 runs scored in 112 games for the Lookouts. He was named Southern League Most Valuable Player after ranking second in the league in batting average, first in on-base percentage (.416) and slugging percentage (.531), third in runs scored, and fourth in doubles and RBI.

The Berlin, Germany native was originally signed by the Twins in July of 2009 and has spent six seasons in the Twins minor league system, hitting .281 (448-for-1594) with 98 doubles, 34 home runs and 254 RBI. The 6-foot-4, 205-pounder earned a SiriusXM Futures Game selection this season, as well as Southern League Mid- and Postseason All-Star and Southern League Player of the Week honors twice. He earned a September call-up mid-month.

Berrios began the season at Double-A Chattanooga, going 8-3 with a 3.08 ERA (90.2 IP, 31 ER), 24 walks and 92 strikeouts. He was promoted to Triple-A Rochester in early July and went 6-2 with a 2.85 ERA (75.2 IP, 22 ER), 14 walks and 83 strikeouts. He becomes the first Twins farmhand to win the Jim Rantz Award in consecutive seasons, and third ever to win either the Rantz or Robertson Award consecutively, joining LaTroy Hawkins in 1993-94 and Ben Revere in 2008-09, who both won the Sherry Robertson Award.

The Bayamon, Puerto Rico native was named to the SiriusXM Futures Game and made the start for the World Team for the second consecutive season. Additionally, he was named Midseason Southern League All-Star while with Chattanooga as well as Southern League Pitcher of the Week in May. He finished the season with a combined record of 14-5 and a 2.87 ERA (166.1 IP, 53 ER), 38 walks and 175 strikeouts between Chattanooga and Rochester.

TARGET FIELD

TARGET FIELD®

The Minnesota Twins moved into their new home, Target Field, prior to the beginning of the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring development in the western corner of downtown.

Target Field proved to be one of the premier sporting and entertainment venues in the Upper Midwest, and one of the most unique, spectacular parks in all of Major League Baseball. Here is a list of features that helped to make it unlike any other baseball experience in America.

MATERIALS

Native Minnesota limestone forms the mass of the ballpark's exterior façade. Glass and metal details punctuate the limestone surface, creating a sophisticated composition. In addition, whenever possible, the ballpark and surrounding areas incorporated Minnesota-native flowers, trees and shrubs.

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. Target Field features more aisles with fewer seats per row.

CONCOURSE

The ballpark features a 360-degree open main concourse giving fans an uninterrupted view of the playing field.

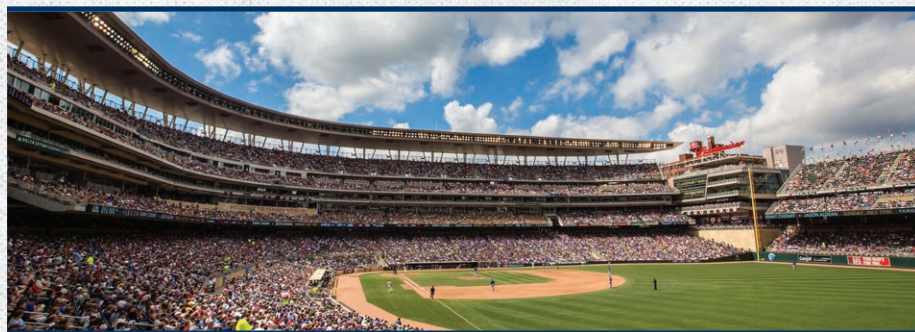

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans—even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level including the Terrace level. Target Field's roof canopy—one of the largest in baseball—provides added protection.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

Minnesota's new ballpark celebrates the heritage and history of the game across the Upper Midwest. The ballpark includes tributes to the great Twins teams and players from the past, as well as other Minnesota baseball icons.

The Minnesota Twins organization believes our future success—both on and off the field—is built on a business model that embraces operational efficiency, environmental stewardship and social responsibility. We honor the power of sport by leading through example, and we will continue to use sport to inspire, build the best fan experience and cause no unnecessary harm, working with our fans, community, suppliers, partners and employees to have a positive influence in the world.

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based Pentair, the Minnesota Twins have captured, purified and reused more than 4,954,386 total gallons of rainwater, drastically reducing the use of municipal water at Target Field. THE MOST MULTI-MODAL, TRANSIT-ORIENTED BALLPARK IN AMERICA

- Located in the historic Warehouse District of downtown Minneapolis, Target Field is the most multi-modal, transit-oriented ballpark in America.

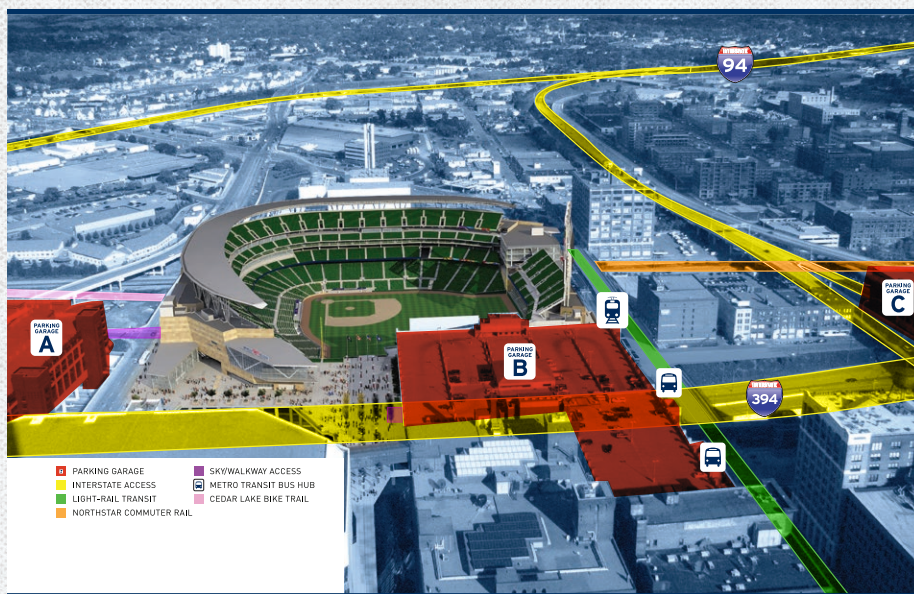

PUBLIC TRANSIT - Served by light rail that arrives from the airport and Mall of America to the south, as well as from St. Paul to the east, more than 20 bus routes, I-394 express bus service and - on special dates - the Northstar Commuter Rail line, Target Field is more accessible by public transit than any other ballpark in America.

PARKING - There are several options for parking in downtown Minneapolis including 7,000 parking spaces conveniently adjacent

to Target Field in the ABC/Hawthorne ramps, nearly 25,000 parking spaces parking lots/ramps and metered street parking spaces throughout downtown.

BIKING - Ranked as the number one bicycling city in the nation, Minneapolis has 43 miles of streets with dedicated bicycle lanes and 84 miles of off-street bicycle paths. The Cedar Lake Trail provides convenient bike and pedestrian access to Target Field. Target Field features hundreds of bike parking spaces. In addition, the city of Minneapolis has hundreds of bike parking spaces within blocks of Target Field.

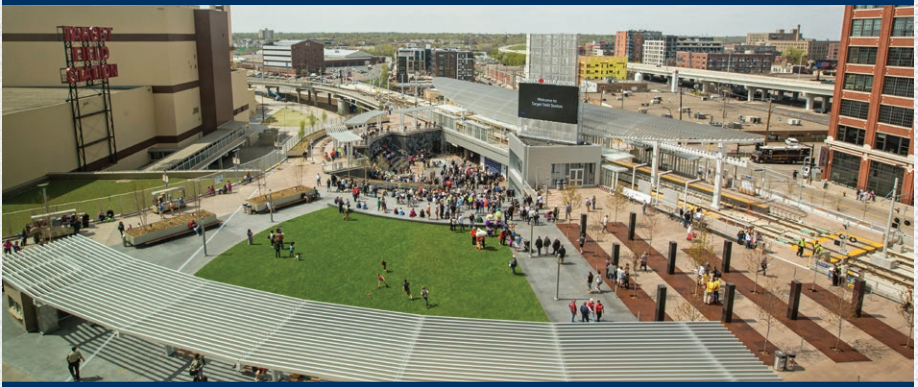

www.twinsbaseball.com/transportation is the most complete, up-to-date source of information on getting to Target Field.

MEDIA PARKING - There is no on-site parking available at Target Field for the media, but municipal ramps and parking lots are available near the stadium. Paid parking is available for the media in the "A" ramp on a game-by-game basis and season-long passes are available by emailing Venika Streeter at venikastreeter@twinsbaseball.com.

CREDENTIAL PICKUP - Media can pick up their credentials at press gate — located in between Gates 29 and 34 — on the date the credential is issued.

Opened in Spring of 2014, Target Field connects people and places, this multi-modal transportation hub at 5th St. N. and 5th Ave. N. in downtown Minneapolis offers public green spaces, connections to 500 trains daily via the METRO Blue and Green lines, Northstar Commuter Rail, as well as access to the North Loop community. Target Field Station's more than 104,000 square feet of space includes a public plaza for year-round special events and activities, green space, a 1,000-seat amphitheater, office space, retail shops and a 286-car underground parking garage. The Minnesota Twins, Target and Hennepin County offer programming and special events in the public space.

IT PROVIDES a connection for commuters, baseball fans, downtown visitors and riders connecting to other Metro Transit services — including Blue and Green Line Light Rail service to St. Paul, the airport and Mall of America, the Northstar Commuter Rail Line, as well as bus service from the nearby 5th Street Transit Center. Future transit lines and plans to develop a transportation hub will create additional regional connections for Target Field commuters.

THE PURPOSE of Target Field Station is to provide high-quality transit service, and efficient access to Minneapolis and surrounding communities. This hub encourages greater use of public transportation within the Twin Cities due to a centrally-located facility, and improved multi-modal and pedestrian connections.

LOCATED on the north side of the park, connecting it to the North Loop Neighborhood. The name refers to the trolley line that once ran through the area, which is part of Minneapolis' Warehouse District. It connects the North Loop Neighborhood with its roots.

THE BLUE LINE runs from Target Field to the Mall of America. The Central Corridor — Green Line — runs down University Avenue to St. Paul's Union Depot.

Renovations

RIGHT FIELD VIDEO BOARD AND TWINS TOWER - Both built between the 2010 and 2011 seasons. Located next to each other behind the right field grand stand. The video board is 28' high x '50 wide. The Twins Tower is 100' high x 5' wide x 11' deep.

GREAT CLIPS GREAT SEATS - Built between the 2012 and 2013 seasons. The Twins replaced regular seating and unveiled the "Great Clips Great Seats" seating section. Located in the right field corner, is designed to be an exciting destination for both group and single-game ticket purchasers; similar to the Budweiser Roof Deck in left field.

BARRIO - Built between the 2014 and 2015 seasons. The Twins and Barrio announced a new partnership that included branding of a new bar/restaurant, replacing a team store and drink rails. Located adjacent to the left-field foul pole (inside Gate 6).

CATCH AND MINNIE & PAUL'S - Built between the 2015 and 2016 seasons. The Twins and Populous transformed the center field seating area into a multi-level fan gathering space. The upper level, called Minnie & Paul's, is a Twins-themed pub open to all fans. The lower tier, called CATCH, is an all-inclusive club with access to approximately 120 season ticket holders.

HARMON KILLEBREW

3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 11th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit over 40 home runs on eight occasions, and 30-plus 10 times, while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 RBI and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, the first Twin to receive that honor. He had his number 3 formally retired May 4, 1975, was selected to the Twins 25th Anniversary Team in 1986 and 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

ROD CAREW

29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse.

He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his 12 years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 24th among the all-time hit leaders and makes him one of only 29 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

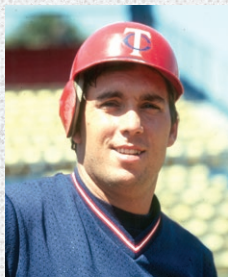

TONY OLIVA

6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times and his 220 career home runs rank fourth all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991, was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins" in 2010.

KENT HRBEK

14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform, homering in his major league debut in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981. He finished his career with 293 home runs, 1,086 RBI and 838 walks, all good for second most in club history.

Hrbek, who was runner-up to Cal Ripken Jr. for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins fans for his upper-deck power, agility and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game 6 grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game 2 of the 1991

World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and named one of the "50 Greatest Twins" in 2010.

TWINS RETIRED NUMBERS

34

KIRBYPUCKETT

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one, when he became the ninth player in history to collect four hits in his first game May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game 6 of the World Series versus Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit and became the ninth player to end a World Series game with a home run on the final pitch, off Charlie Leibrandt, in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

28

BERTBLYLEVEN

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 major league seasons with the Twins (1970-76 and 1985-88). His knee-buckling curve ball, competitive drive and his knack for being the clubhouse "prankster" are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138 and a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on the Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2002, was selected to the All-Metrodome Team in 2009 and named one of the "50 Greatest Twins" in 2010. Blyleven was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011, becoming the first Hall of Famer born in the Netherlands.

10

TOMKELLY

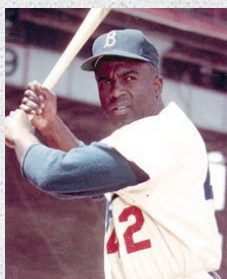

"TK" took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. He led the club to their second ever World Series victory in 1991, which marked the first time in major league history that a team went from last place one season to World Champions the next.

Kelly had a managerial record of 1140-1244, which places him first on the Twins All-Time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 was formally retired September 8, 2012, becoming the first Twins manager to have his number retired. Kelly was selected manager on the Twins 40th Season Anniversary All-Time Team in 2000 and one of the "50 Greatest Twins" in 2010.

42

JACKIEROBINSON

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

MINNESOTA TWINS HALL OF FAME

The Minnesota Twins Hall of Fame, which honors players, coaches and off-field personnel who have contributed to the organization's growth and success since the Twin Cities broke into the major leagues in 1961, was created as part of the club's 40th Season Celebration in 2000.

The inaugural class of Twins Hall of Famers, inducted on August 12, 2000, included Harmon Killebrew, Rod Carew, Tony Oliva, Kent Hrbek, Kirby Puckett and Calvin Griffith. The 2001 class included Herb Carneal and Jim Kaat while Bert Blyleven and Tom Kelly were inducted in 2002. Bob Allison and Bob Casey were inductees for 2003, Earl Battey was honored in 2004, Carl Pohlad and Frank Viola in 2005, Zoilo Versalles in 2006, Gary Gaetti and Jim Rantz in 2007, Rick Aguilera in 2008, Brad Radke and George Brophy in 2009, Greg Gagne in 2010, Jim Perry in 2011, Camilo Pascual in 2012 and Eddie Guardado and Tom Mee in 2013. Chuck Knoblauch was elected in 2014, no player or non-player was elected in 2015 and Torii Hunter and John Gordon were elected in 2016.

Below is the criteria for the Minnesota Twins Hall of Fame.

Player – Service time of three seasons with Twins and retirement from Major League Baseball. Voting is conducted by a 66-member committee, which includes the fan vote as one "member." All vote getters with at least 60% of the vote are elected.

Non-Player – Will be elected by a 23-member veterans committee consisting of all living Twins Hall of Fame members, Twins front office personnel and local Twins historians. Those eligible to be voted into the Twins Hall of Fame via the Veterans Committee balloting include owners, managers, coaches, scouts, broadcasters, media and front office personnel. All vote getters with at least 60% of the vote are elected.

CALVIN GRIFFITH

PRESIDENT & PRINCIPAL OWNER, 1961-1983

Griffith was instrumental in bringing Major League Baseball to the state of Minnesota. He moved the Washington Senators to the Twin Cities for the 1961 season, providing Minnesota with their first Major League Baseball team.

In his 24 seasons as president and principal owner, the Twins were 1,930-1,887 with three American League West Division championships (1965, 69 and 70), one AL pennant (1965) and one All-Star Game (1965) while attracting 25,664,104 fans.

Griffith was involved in baseball for over 60 years and was known not only for his keen eye of baseball talent, but his deep passion for the game. He was a member of the inaugural class of the Twins Hall of Fame, inducted August 12, 2000. Griffith passed away from complications from a kidney infection on October 20, 1999. He was memorialized in the Metrodome with a row of seats from Metropolitan Stadium. "Calvin's" seats hosted underprivileged families at every Twins home game.

★ CLASS OF 2001 ★

HERB CARNEAL

RADIO BROADCASTER, 1962-2006

The dean of American League radio broadcasters, Carneal was a broadcaster of Twins games for 44 years. He was the 1996 recipient of the Ford C. Frick Award, the highest honor given to a baseball broadcaster, which is presented annually to broadcasters who make major contributions to baseball and its fans.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal was behind the microphone for all but the first of the Twins first 45 seasons in Minnesota. CARL R. POHLAD
OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

Pohlad enjoyed great success upon taking ownership of the Twins by providing leadership that resulted in two World Series Championships in 1987 and 1991 and back-to-back-to-back American League Central Division Championships from 2002-04.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. In addition, the Pohlad family has given millions of dollars and countless hours of their time back to the community and region through programs in the Twins Community Fund and the Carl and Eloise Pohlad Family Foundation.

HUBERT H. HUMPHREY METRODOME

- » Opened April 3, 1982, the Hubert H. Humphrey Metrodome was home to the Twins for 28 years. It was the third domed facility in baseball and remained the only air-supported structure of its kind until its demolition in January of 2014.
- » The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), Major League Baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992 and 2001).
- » Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately \$68 million.
- » Field dimensions were 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence in leftfield and centerfield was 7' high (plexi-glass was on the left field wall from 1985-94, which made the wall 13' high) and the one in rightfield was 23' high, including 16' of plastic tarp installed in 1983.
- » **April 14, 1983:** Roof deflated due to tear caused by heavy snow.
- » **May 4, 1984:** Oakland's Dave Kingman hit a ball into one of roof's drainage holes in a 4th inning at-bat. The ball never came down and Kingman was awarded a ground rule double.
- » **April 26, 1986:** Roof suffered slight tear due to high winds, causing a nine minute delay in the bottom of the seventh inning vs. California.
- » **August 29, 1992:** A power outage in the third inning caused a 23 minute delay vs. New York.
- » **August 5, 2001:** A power outage in the area of Minneapolis surrounding the Metrodome caused the air conditioning to shut down, heating the inside of the dome during the game to a high temperature of 91 degrees, as the Twins fell to the Royals, 10-5.
- » **October 2, 2004:** The Twins and Indians were forced to suspend their game after the 11th inning due to a curfew rule in effect for the University of Minnesota football game.
- » **October 2, 2005:** Upon the conclusion of his 50th year of broadcasting baseball, the Twins re-named the baseball pressbox "The Herb Carneal Press Box" in honor of their long-time radio broadcaster. Carneal died on April 1, 2007.
- » **August 2, 2007:** The Twins and Royals postponed their 12:10 pm game, a day after Interstate 35W bridge collapse in Minneapolis.
- » **October 11, 2009:** The Twins lose to the Yankees in the ALDS, marking the club's final game in the Metrodome.
- » **December 19, 2013:** The Vikings defeat the Lions 14-13 in the final sporting event played in the Metrodome.
- » **January 18, 2014:** As a portion of the demolition for the Minnesota Vikings' new stadium, the Metrodome roof is deflated. Demolition completed roughly mid-April of 2014.

25TH ANNIVERSARY TEAM

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion on July 31-August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced (see below). The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins playing a team consisting of other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a framable poster which was a collage of the team. Below is the 25th Anniversary Team.

40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases, including: the fans, the Upper Midwest Media and the players (former/current Twins players and coaches). Each groups' vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time Team was given to the first 10,000 fans in attendance, courtesy of the Star Tribune.

A total of 93 Twins players and managers were featured on the All-Time Team ballot which included categories for each of the following: manager, catcher, first base, second base, third base, shortstop, outfield, right-handed starting pitcher, left-handed starting pitcher, relief pitcher, designated hitter, pinch hitter and utility player.

The Minnesota Twins 40th Season All-Time Team is comprised of 22 members of which ten were also on the club's 25th Anniversary Team in 1986 including catcher Earl Battey, first baseman Harmon Killebrew, second baseman Rod Carew, shortstop Zoilo Versalles, leftfielder Bob Allison, centerfielder Cesar Tovar, rightfielder Tony Oliva, right-handed pitcher Camilo Pascual, left-handed pitcher Jim Kaat and relief pitcher Al Worthington. TREASURE ISLAND BASEBALL NETWORK

2016 marks the 10th season that the Minnesota Twins control their radio broadcast rights. More than 90 stations in the five-state area carry Twins games and comprise the Treasure Island Baseball Network. In the Minneapolis-St. Paul market, the Twins can be heard on Go 96.3. The move to 96.3 in 2013 marked the first time in franchise history that Twins games were broadcast on the FM spectrum in the metro area.

The Twins employ an in-house production team that produces the game broadcasts including pregame and post-game shows that air on network affiliates. In addition, the network team produces the off-season "Deep Cuts with the Minnesota Twins" that airs Wednesday nights starting in January and leading up to Opening Day hosted by pre- and post-game host Kris Atteberry. During the season, fans across Twins Territory can listen to "The Paul Molitor Show" live on Sunday mornings at 9:30 Central Time. The manager's show is hosted by Kris Atteberry and former Twins

great, Jack Morris. Also a staple of Sunday morning baseball talk is "Inside Twins" which airs prior to Sunday pre-game shows featuring Twins General Manager Terry Ryan and other front office staff and is hosted by Twins play-by-play man Cory Provus. These two shows run all season and give fans a glimpse into the inner workings of Twins baseball.

In 2007 the Twins, in partnership with the Minnesota News Network, assumed control and development of the Twins Radio Network with Treasure Island Resort & Casino, becoming the first-ever naming rights partner for the network in 2010. Historically, the Treasure Island Baseball Network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states.

The Twins also broadcast 50 games in Spanish. Alfonso Fernandez begins his 11th season as play-by-play voice with Tony Oliva as the analyst. Games in Spanish can be heard in Minneapolis-St. Paul on La Raza AM 1400/1470.

John Gordon Award — Twins Radio Affiliate of the Year

Named after legendary Twins broadcaster, John Gordon, this honor is awarded annually to the Twins radio affiliate that demonstrates the best of Twins Territory in its commitment to the Minnesota Twins and its community.

SPANISH LANGUAGE RADIO BROADCAST

In December of 2015, The Twins announced a new Spanish language radio partnership with La Raza 1400 AM/1470 AM, which will be home to 50 Twins games per season. Spanish broadcasts can be heard primarily Sunday and Tuesday games throughout the 2016 season.

La Raza 1400 AM/1470 AM was founded in 2005 by Santamaria Broadcasting and is the only Latino owned and managed radio station in Minnesota. The Upper Midwest is the 16th most important Latino Radio market in the nation and together the two stations encompass 30 miles around the Twin Cities and into northern areas. The two simulcast Spanish-Language stations reach over 200,000 members

of the Minnesota Hispanic community 24 hours a day and seven days a week. Their mission is to empower and unite the Latino community through its community-oriented music, entertainment and informative programming.

The Twins, who were the first professional sports team in the Twin Cities market to broadcast games in Spanish, return Twins Hall of Famer and color analyst Tony Oliva, and play-by-play announcer Alfonso Fernandez, to the broadcast booth for their 11th season together. All 50 games will include a 15 minute pre and post-game show. In addition, these broadcasts will be transmitted via SAP (secondary audio program) on the Twins television partner Fox Sports North.

ALFONSO FERNANDEZ
SPANISH RADIO, PLAY-BY-PLAY

Fernandez begins his 11th season in 2016 with the Minnesota Twins serving as the Spanish play-by-play announcer.

Fernandez also serves as the Spanish broadcast voice for the Minnesota Timberwolves since 2005.

Fernandez has called the action in Spanish for five other professional sports teams including the Minnesota Vikings (2005-09), the Los Angeles Clippers (1993-95), the Los Angeles Lakers (1988-90) and the Los Angeles Rams (1987-91).

He was the first to broadcast basketball in Spanish in the Los Angeles area and has spent 33 years behind the microphone.

Fernandez and his wife, Rosalia, daughter, Angela, and son, Jared, make their home in White Bear Lake, MN.

TONY OLIVA
SPANISH RADIO, ANALYST

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times,

and his 220 career home runs rank fourth all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He also works as a hitting instructor in the Twins minor league system and scouts for the club. He had his number 6 retired July 14, 1991 and was selected to the Twins 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010. In 2013, he became the eighth ever recipient of the Herb Carneal "Lifetime Achievement" Award.

MINNESOTA TWINS MEDIA POLICIES

CREDENTIALS

Credentials for accredited news media are available through <https://credentials.mlb.com> with the appropriate affiliate ID. All requests must be made 24 hours prior to game time. Daily credentials must be picked up at the press gate entrance off 7th Street near the box office on Target Plaza. The press gate will be staffed five hours prior to night games and three hours prior to day games. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in Target Field. A photo ID and signature are required to pick up credentials. The pressbox is located on the Club Level (-2), while both clubhouses, interview room, press dining and field access are located on the Service Level (-2).

TWINSPRESSBOX.COM

All baseball information, including: media guide, game notes, daily clips, stat packs, minor league report, press releases, headshots and logos will be available at twinspressbox.com. This site also provides media with audio and video clips, along with information for the 29 other MLB clubs.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Twins Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS

The Twins clubhouse will be open to media with clubhouse credentials until one hour prior to each game and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. Television photographers are allowed in the clubhouse prior to batting practice and after games, but not between batting practice and game time. Still photographers are not allowed in the clubhouse at any time. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

FIELD ACCESS

Members of the media must access the field through the Umpire/Star Dressing Room Tunnel. The tunnel is located between the Twins Communications office and the visiting clubhouse on the Service Level (-2).

HERB CARNEAL PRESSBOX

Space is available for accredited members of the media on assignment only. Guests are not allowed unless prior approval has been granted by the Twins Communications department. Wireless internet is available. To reach the Twins Communications office and visiting clubhouse, take the stairs or elevator down to the Service Level (-2) and turn left. To reach the media dining/interview room (Twins Room) and home clubhouse, turn right.

PRESS ROOM

The Twins Room, located on the Service Level (-2), is available for pre-game meals to media with appropriate credentials, for a \$11 charge, approximately two hours prior to, and up until, game time.

PHOTOGRAPHERS

Due to a lack of on-field photo spots, the first and third base photo pits are limited to local papers, wire services, Twins photographers and whomever is assigned for that particular game. Certain exceptions may be made depending on space availability. An alternative for photographers are the designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo pits at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball press box.

PHOTO EDITING ROOM

Photographers can edit images before, during or after the game in the photo editing room located by the field entrance on the Service Level (-2).

AUTOGRAPHS

Credentialed media do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

PARKING

There is no on-site parking available at Target Field, but municipal ramps and parking lots are available near the stadium. Because of proximity to the press box, ramp "A" is recommended for media to park in on a game-by-game basis.

FOR MORE INFORMATION regarding policies or questions about interviews, photo requests, statistical information, media ticket orders, news releases, etc., call Dustin Morse (612) 659-3472, Mitch Hestad (612) 659-3473, Mike Kennedy (612) 659-3475 or Cori Frankenberg (612) 659-3474.

All other media entities will be credentialed on a per-game basis (including parking) through an application at <https://credentials.mlb.com>.

CenturyLink® Sports Complex

The Twins will spend their 26th spring training season in Lee County at the newly renovated CenturyLink Sports Complex in 2016. Spurred by their first year in the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful Spring Training camp in history as they posted a record-high 21 wins. In the 25 years, the Twins have drawn at total of 2,611,581 fans for 399 dates, an average of 6,545 per game (total does not include 17 replacement games in 1995 - 49,240 fans).

Located south of the city of Ft. Myers near Interstate 75, the CenturyLink Sports Complex is the spring training home to the Twins and their six minor league affiliates. The centerpiece of the facility is a 8,730-seat stadium in which the major league Twins play their exhibition games and conduct some of their daily workouts. The complex also features five full practice fields and two half-fields.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020, and on November 6, 2012 the Lee County Board of County Commissioners approved a \$42.5 million renovation and a new 30-year lease. Combined with the Twins contribution, raised the total renovations to \$48.5 million. The renovations prior to the 2015 season increased the seating capacity to 8,730 and include a new party deck, expanded gift shop and an outfield boardwalk around the playing field to create a 360-degree walk-around the stadium, similar to Target Field. The plan also renovated previously existing concession stands, restrooms, suites and press box areas.

A signature feature of the renovated facilities is the Twins Player Development Academy which includes a 58-room residence hall for players and staff, dining facilities, recreational spaces, great meeting rooms, educational classrooms and Champions Hall, a 220 seat tiered theater used by players and staff for meetings, conferences and presentations throughout the year. The Academy contains state of the art technology, Wi-Fi throughout and high-tech video systems for player instruction for both major league and minor league players.

In addition to the Player Development Academy, the entire minor league building was renovated including expanded clubhouse with new lockers for players and staff, new 1,800 square foot training room, high tech video facilities, expanded office space and a new game field for the minor league teams.

The major league facility team and player upgrades include new athletic training and strength and conditioning rooms, new lockers for players and staff, dedicated dining room space, state of the art video facilities and complete renovation of all office and meeting rooms.

Continuing the renovations at Hammond Stadium prior to the 2016 season, Lee County and the Twins added a shade structure

along the LF line of the Boardwalk and a permanent serving area on the 4th floor Sky Deck.

The CLSC is home to two Twins minor league affiliates, housing both the Ft. Myers Miracle of the Single-A Florida State League and the Rookie Level Gulf Coast League Twins.

The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of the longtime Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

Major league home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. Prior to the start of the 2005 spring training, a 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility. During the winter of 2007, Lee County and the Twins implemented a variety of improvements to Hammond Stadium, including installation of a grass berm adjacent to right field; installation of a drink rail and party deck behind the grass berm; and installation of two new rows of seats (125 seats in total) at field level between the dugouts. Prior to the start of the 2008 spring schedule, new lights and seats were installed at Hammond Stadium.

The major league club's administrative offices are located in the stadium, with the minor league administrative offices in the building adjacent to its fields.

The facility also features a four-field softball complex and other athletic facilities for use by Lee County organizations and visiting amateur baseball and softball teams, plus an 11-acre water-management lake.

The Twins trained in Orlando, FL, from 1936 through 1990 (with the exception of the war years of 1943, 44 and 45, when they conditioned in College Park, MD) and their minor league clubs moved to Terry Park in Ft. Myers in 1990, after headquartering in Melbourne, FL, from 1964-89. The entire organization was united for the first time in Lee County in 1991.

The Sports Complex, an \$18.2 million undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, FL, was the lead architect for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, FL, was the contractor.

CENTURYLINK SPORTS COMPLEX RENOVATIONS

RIGHT: Renovations included a 360 degree boardwalk with group gathering areas, shade trellises, a second berm in LF and several different seating options around the outfield.

LEFT: The new site plan includes an additional practice field, a player development academy adjacent to the minor league complex and additional parking beyond the softball fields.

RIGHT: A deck at the top of the seating areas allow fans to view the field from different angles, most of which will be covered by the existing roof.

LEFT: A player development academy includes dining facilities and meeting space for 200 players (at left) and staff, plus classrooms and recreation areas to be used throughout the year.

RIGHT: Pre-game gathering spaces outside the gates, additional (and faster) elevators and a grand new entry into the seating bowl from behind home plate are among the features.

LEFT: Wider concourses with shade trellises make it easier to navigate through the Hammond Stadium facilities. More shaded areas were installed on the leftfield foul territory boardwalk area in 2016.

LEFT: The top two floors feature a 55-room dormitory that house minor league players during spring training, the GCL season, rehabilitation assignments and fall instructional league programs.

The overall two-year project earned Ballpark Digest's Best Major Ballpark Renovation of 2015.
